40th Annual O.H.M.C. inc. Open Summer Contest

It's time to prepare for our 40th annual open summer contest to be held at Salt Fork Lake, Cambridge, Ohio on July 10th and 11th 2010. Registration and headquarters will be held at the Main Marina ramp across from the main beach area. **There will not be a tent this year.** We will be using the pavilion near the ramp.. Registration will be Friday, July 9th from 5:00PM until 8:00 PM and will resume Saturday from 6:00 AM until 8:00 PM. We will also have registration on Sunday for the latecomers. **Please call me ahead of time if you know you will only fish on Sunday.** Entry fee registration donations will be \$15.00. As always this contest is open to the public. The last contest that was held at Salt Fork Lake was 2005, we had 82 anglers in the contest and 22 muskies were caught. That was the year in which the lake was draw down. Salt Fork is a great fishery and is well known for having some very large muskies there. With water levels at normal Summer Pool, I'm sure we can expect some nice muskies this year.

by total inches. (Two or more muskies will qualify.) Each boat will be given a boat packet containing contest information, **PLEASE READ THE CONTEST RULES CAREFULLY.** Each angler who registers will be given a ticket at registration for the door prizes that will be drawn after the Grand Prize 50-50 drawing. The award ceremony and the drawing will start at 3:00PM sharp after fishing closes on Sunday, at the contest headquarters. You will need a raffle ticket to participate in the Grand Prize 50-50 drawing.

The grand prize at the 2009 open summer contest payed out about \$1500 last year. Use the money toward buying what boat you want or buy that needed items for your existing boat. The winner is responsible for all taxes. The forms W9 and 1099 will be sent to the IRS. Your boat package will contain three raffle tickets for you to buy in case you did not get any earlier in the year. If you can, please buy a few extra raffle tickets at the event, as the proceeds are used to help fund OHMC events for the following year.

We again this year have many other raffle prizes and door prizes such as rods and reels, gift certificates, and many other miscellaneous prizes. Winner of the Grand Prize 50-50 does not need to be present to win. Tickets and information can be obtained from club members. Local sponsors or by calling, writing, or e-mailing the OHMC President (Fred Lederer). Remember to patronize these sponsors because with out them we would not be successful. Good fishing and hope to see you all on July 10th and 11th, 2010 at Salt Fork Lake

2010 Division Day & Spring Outing

By Fred Lederer OHMC President

The 2010 OHMC Division Day was held on June 11th at Clearfork Reservoir. Eight Ohio Division of Wildlife personnel and 3 Ohio Outdoors Writers were guided by OHMC members for a day of musky fishing.

The weather held up thru the event with overcast skies and temps in the low 80's. While we thought we were in for a good day of musky fishing, the muskies did not cooperate as well as we hoped. At the end of the day only 3 muskies were boated. A 27 and 28 inch was caught casting by Elmer Heyob (Ohio Hatcheries Program Administrator) who was guiding Ray Petering (Executive Administrator of Fish Management). Neil O'Brien (OHMC Trustee) caught a 40 by casting as well, and that fish was good enough to earn him the plaque for the biggest muskie caught by the guides, no fish were caught by the guests which is very unfortunate. But it is musky fishing and all guests said they enjoyed the day and the lunch provided by OHMC. Trustee Max Reiner was our grill master for the day. Thanks Max!

The Division Day event was followed by the 2010 Spring Outing and Steak Fry on June 12, & 13. Saturday was a bit warmer and the weather varied with clear skies and overcast. A few showers here and there set the tone for a very wet night of storms and one severe thunder storm later in the night. With the widely varied weather the muskies were equally varied. A few members were able to get slimed with 10 fish caught on Saturday and another 7 caught on Sunday. Most of us enjoyed a boat ride. A couple members were able to boat multiple fish and there was a lot of radio chatter about lost fish. I was a victim of fish-on and fish-off as well. At the end of the event, Junior member Logan Anderson was able to hold onto the first place trophy with a 43-1/2" muskie. Second place was captured by a new member Aaron Blake with a 43" muskie. Both of these fish were caught on Saturday. Trophies for the event will be handed out at the Annual Awards Banquet in March of 2011. Remember that will be the kickoff of our 50th anniversary too!

Saturday's steak fry was again prepared by Max Reiner who treated each tender ribeye steak as if it was his own. Gently rubbed with seasoning and tenderly placed on the grill, and cooked to everyone's choice of temperature. Great job again

on the steaks Max! I also want to thank the OHMC officers and trustees for all their hard work to make the event a success. Jeff Ferjutz, Paul Anderson "Logans Dad", Greg Hastings, Neil O'Brien, Aaron Kirkingburg, Roger Hayes, George Dickson, and Jake Lederer. I hope I got everyone who worked the event. Also thanks to Ray McMaster of Muskie Fisherman Specialties for throwing in a few extra door prizes for the event, some real nice, new bucktails and spinnerbaits. The Rod and reel was won by Mike Hepker and the winner of the 50-50 was Gloria Roberts for \$73.00. Hope to see everyone at the next event which is the Open Summer Tournament at Salt Fork, to be held on July 10 & 11!

All muskies caught at the Spring Outing.

OHMCI.ORG

By Fred Lederer

Well I know it was said before but it has finally happened. The Ohio Huskie Muskie Club has a new website. It took a lot of work by our new found webguru, (I hope that's a real title, if not it should be) to lay the ground work for that site. And it also took some time and effort by El Prezidente to plug in all the information once Ted completed the framework.

The new site will replace the old tusco site with many new features. Plus it is much easier to type. It will also replace the OHMCI.COM site to better reflect that we are an organization, not a commercial business.

I kept the old message board for now to keep some familiarity with what the members use most. This is the only thing has not been changed. On the home page you will find all the latest newsletters, information on upcoming events, and the history of the club. I will also be able to make a quick post for any information I need to get out in a timely manner. This would come up as the top line of the home page. In addition I

have added a new online store! At this time I have not yet made the store live on the website. The only thing yet to do is configure the Paypal account. But with that in mind you will be able to see new photos of all the clubs apparel and merchandise that we sell. You will also be able to pay for your membership dues online thru the store. We will still accept checks for those people that do not have Internet access. You will also be able to see photos of your clubs Officers and Trustees to help those new members recognize us and for everyone to become more familiar with the names. You will also have a direct email link next to each name in case you would like to make contact with one of us.

I apologize to all the members on this taking so long and for the inconvenience of the old websites. Please feel free to explore and I hope you will all take pride in the new cyber look of the club. Please feel free to drop me a line with any comments or suggestions for the new website.

OHMC Nite Bite Outing!

Saturday August 28^h 2010 at
Leesville Lake.

Registration will be set up at the South end main launching ramp near the primitive campgrounds from 5PM until 6PM. Nite bite starts at 6PM Sat. through 9AM on Sun. You have until 10AM Sun. to turn in your catches. You must register before fishing. You may also register on the water by contacting Jeff Ferjutz or Paul Anderson. We will be on CB channel 17 and VHF channel 68. A First place trophy for the event will be awarded at the 2011 banquet.

There will be a \$5 entry donation for the event and we will have a 50/50 drawing Sunday after fishing. You do not have to be there to win.

Fall Outing & Steak Fry

September 25th & 26th, 2010

The Fall outing and steak fry will be held at Leesville Lake. We will be registering Sept. 25th from 6:00 AM to 7:00 AM at the South end main launching ramp near the primitive campgrounds. If you will be staying at the lake you may look for me on Friday and pre-register at the cabin in the campground. This worked out well in the past.

This event will also have a \$5 per person registration fee to off set the cost of the event, steaks are \$7.00 each and must be pre-paid so I may order them ahead of time. Please reserve your steaks by September 21st by sending me your check. Please also bring one covered dish to pass at the potluck. We will have the usual rod and reel raffle as well as a 50-50 drawing. Trophies will be awarded at the 2011 banquet.
