### Ohio Muskie Guides

Ohio has 9 inland muskie lakes which are some of the best lakes in the country for catching muskies. So, the word is getting out not only among the diehard muskie fisherman, but bass, walleye, crappie, and catfish anglers who want to catch the fish of 10,000 casts. Ohio is also blessed with some great muskie guides for our waters like Aaron Pratt and Maurice Potvin. In this article, we would like to highlight two who have donated guided day trips to OHMC for our new member raffle and our Main Event raffle. They are Chuck Harmon and Chad Harmon from Ohio Muskie Guide Service. There is a connection, Chuck is Chad's father who got him into fishing at a very early age. Chad guides full time from mid-March to mid-December concentrating on muskie with crappie trips added during the spring. Chuck is closer to retirement and does guide on a regular basis but is not full time trying to pay the bills with his guiding. Both have the ability to not only put experienced anglers on fish but have mastered putting new anglers on fish who may have never thrown muskie lures on baitcasting reels. They use spinning equipment tailored to muskie to help get the job done. Their knowledge of our program lakes is legendary knowing crooks and crannies gained through years of experience. They also have a great understanding of the muskie's progression through the year from prespawn to winter's cold-water periods, staying on fish as they change their habits and locations.

OHMC thanks Chuck and Chad for their generous gift of their time and knowledge. Don't hesitate to call Chuck at 330-607-0433 or Chad at 330-206-4428 for a great day on the water.

### Main Event Raffle

Our Summer Contest raffle is now called the Main Event raffle. This raffle has been an important contributor to the Club's ability to make a significant contribution to the Minnow Fund each year. The raffle this year includes:

1 day guided muskie trip with Chad Harmon from Ohio Muskie
